

2023 CABERNET SAUVIGNON

GOLDEN MILE BENCH

SITE

South Rock Vineyard is the southernmost site on Oliver's famed Golden Mile Bench, British Columbia's first official Sub-GI. This vineyard is home to some of the oldest vines in the Okanagan, as well as our estate winery.

NOTES

A warm and consistent season gave us Cabernet Sauvignon vines that produced small berries with excellent phenolic ripeness, leading to a wine that is naturally deep, structured, with firm tannins, balanced dark fruit, and classic Cabernet character that will age gracefully for at least a decade.

VARIETY: 100% Cabernet Sauvignon
VINEYARD: South Rock Vineyard
PLANTING: 2016 | Clone 169
APPELLATION: Golden Mile Bench BC VQA
DIRT: Fluvial fan of gravelly clay and eroded mountain rock.
CELLAR: Aged in French oak, approximately 20% of which was new. 100% whole berry fermentation.
HARVESTED: October 5th, 2023
