SYRAH
OKANAGAN VALLEY

SITE

Ferreira Vineyard is situated on the northern edge of the Black Sage Bench in Oliver. These west-facing 20 year old vines are planted in deep, warm sand and enjoy more sunlight than any other region in the country.

NOTES

The Syrah from this site offers up more opulent fruit than its brethren. Aromas of spice and perfumed cassis are woven together by brambly dark berry fruit and a velvety lick of tannin.
