

2020 SYRAH

OKANAGAN FALLS

SITE

Okanagan Falls is one of the most unique growing regions in British Columbia. Over tens of thousands of years, a series of glaciers carved out a great valley, leaving behind mounds of rocky soils. These soils, along with long warm days and cool nights, create wines with great complexity and tension.

NOTES

Our second release of Syrah from Okanagan Falls offers a structured and full-bodied wine with a brooding, rustic quality. Vibrant purple fruit, leather, subtle spice, and fresh-cut violets complement this wine's inherent depth. Rather shy in its youth, expect this to open up increasingly over the next 5 years.
